L: LinkedIn: www.linkedin.com/in/alexander-yovzhenko-945014192

A: City: Narovlya(Remote)

SKILLS

English

JS

TS

NodeJS

Express, Fastify, NestJS

TypeORM

MongoDB, PostgreSQL, MySQL

HTML

CSS

Git

Docker

Jest, SuperTest

PROFILE

I am a beginner backend developer.

In programming, I like many ways to solve a problem and find the best one.

I have a solid knowledge of JavaScript, TypeScript, NodeJS, HTML, CSS.

I am ready to solve the tasks set for the company, work in a team and find the best solution together.

I continue to study and develop in order to achieve high results in programming
